Rebekah,

Haven't been able to confirm for the whole Navy/DLA attorney team but most of us should be available at 1400 HST 1600 PST on Tues 15 Dec.

I set up a call -in number: **Nonresponsive**

For Navy/DLA participants:

BD conference room at NAVFAC HI is reserved, please come if you can; number of call-in lines is limited. Please let me know if you plan on calling in so that I can add more lines if necessary.

Aloha Rebekah/Wade.

Looks like tomorrow will work better for us if you're available then. Jan isn't available, but I think the rest of the Navy/DLA legal team can do a conference call at either 10am Hawaii time, or sometime in the afternoon (2pm?). Please let us know. Thanks.

Just chatted with Jan. He will get you up to speed on what I'd like to discuss with the attorney group. I'm available anytime on Monday.

In the meantime, here is a link to the DOJ guide to FOIA <http://www.justice.gov/oip/doj-guide-freedom-information-act>. Please read President Obama's FOIA memo & Attorney General Holder's FOIA Guidelines. Also, please read the PDF on exemption 5.

Finally, I'd like to discuss a label on pre-decisional documents exchanged that says that the document is draft.

Rebekah,

I'm available Monday as well, and could also be available Tues afternoon. My understanding was that the clients were trying to set up a larger group meeting including the attorneys for Monday afternoon or Tuesday. I think the PMs are meeting early Monday.

Rebekah,

I thought there was going to be a larger group meeting on this issue...

Andre and I are available Monday. I will be tied up in mediations all day Tuesday and Wednesday. Steve is Mr. Guam these days. Don't know about his availability; likely very limited.

I'd like to schedule a call for early next week to discuss the label that has been included on the documents my clients have received from the Navy/DLA since the scoping meeting and the process for exchanging documents going forward. Please let me know when you are available to discuss.

I look forward to hearing from you.

Have a good weekend.
